

Peter Cornish
Fairwood Music Ltd
Publisher Director

Having joined MCPS on leaving school, I have spent the last 43 years in the music business, included spells as Managing Director of Island Music and ATV Music/Northern Songs (both significant independent companies at the time).

I am currently a Director of Fairwood Music (UK) Ltd. and its sister company Westbury Music Consultants Ltd. Aside from those writers signed directly, we also represent various catalogues, including RZO Music (principally David Bowie), Blue Mountain Music (Bob Marley, Free, etc) and Crazy Mamas Music (J.J. Cale).

I sit on several of the Society's committees, including as Chair of the Commercial Committee. I am also a Director of the Music Publishers Association.
