Because of the impact of COVID-19, following the latest government advice we're unfortunately not able to welcome members in person to our AGM this year and therefore ask that you do not attend the meeting in person The Board has decided that the AGM will be held as a physical meeting closed to members other than the Chair. with the CEO and CFO also in attendance, in line with the Government's emergency legislation, the Corporate Insolvency and Governance Act 2020. The full proceedings will be live streamed to members, however, and there will be an interactive O&A session

We will also be holding interactive Q&A sessions on 10 and 11 August and full details of those are contained within the Formal Notice booklet

In order to exercise your voting right, you will need to appoint the Chair of the meeting to act as your proxy and you are strongly encouraged to do so.

If you wish to you can also ask the Chairman to require that a vote on one or more resolutions be decided on a poll, which means the weighted voting rights explained in the Formal Notice under the heading 'Votes on a Poll' will be applied. To do so, you should go to Section F and follow the instructions set out there. The Chairman will not be obliged to demand a poll unless at least three Principal Voting or Voting members make such a request in respect of that resolution or if any Principal Voting or Voting member(s) representing not less than one-tenth of the total votes of all Principal Voting and Voting member(s) makes such a request in respect of that resolution.
