Explanatory Notes

- [1] Indirect costs have been allocated using an activity based costing model. PRS incurs direct costs relating to mechanical licensing which have been excluded from the ATR report on the basis that mechanical collections and costs are not reported within the PRS ATR. The social and cultural deductions have been excluded from costs as shown separately in the deductions section. There are no operating and financial costs with regard to "services other than the management of rights but including social, cultural and educational services" in accordance with section 21(4)(i)(iii) of the Regulations.
- [2] Gross distributable income excludes interest and the deductions for social and cultural purposes, and is calculated as gross collections less direct and indirect costs for the reporting year. This is different to Distributed amounts which reflects the amounts distributed during the year which will include amounts collected in prior years.
- [3] The distributions reported are adjusted to include distributions relating to PRS repertoire paid directly to PRS members by joint venture partners or other Collective Management Organisations ("CMO").
- [4] Administration deductions are applied to the gross income of the Society in accordance with, and as permitted by, Rule 2(c) of PRS's Rules and Regulations: The administration deductions are expected to cover the direct cost and indirect costs of the company.
- [5] Social deductions are donated to the PRS Members' Benevolent Fund; cultural deductions are donated to the PRS Foundation, both of which are further explained in their respective Annual Reports. These deductions are taken from non-licence revenue (i.e. investment income) and cannot be reported by "type of use". No deductions are made for educational purposes.
- [6] Gross Income excludes Non-Licence Revenue which does not relate to royalties received. This has been incorporated within "Other Income".
- [7] Total UK Joint Ventures represents the financial performance of International Copyright Enterprise Services Limited (ICE Services), Solar Music Rights Management Limited (Solar) and PPL PRS Ltd as reported in the Financial Statements of those companies. Gross income relates to commission or service income.
- [8] "Other Income" includes amounts received from 3rd parties in relation to the provision of services, predominantly related to mechanical rights, which have been net off against costs as per explanatory note 1.
- [9] Amounts invoiced and collected but not yet attributed relates to amounts which were collected in the financial year but owing to the timing of their receipt had not been attributed to rightsholders by year end. On a category of use basis these amounts are offset by debit balances held by PRS for Music which have also not yet been attributed to rightsholders.
- [10] The amounts attributed but not yet distributed include amounts that have passed through the attribution or matching process but require further information or documentation to complete payment.
- [11] Delayed distributions shows the amounts held where there are objective reasons preventing distribution: i.e. data availability or completeness, distribution policy or online residuals. These amounts primarily relate to periods >1 year and <3 years after the financial year in which such amounts were collected.
- [12] It is the policy of PRS to not hold any non-distributable amounts as any amounts for which right holders cannot be identified/located after three years are distributed pro-rata in accordance with Rules 2(gb) and 2(gc) of PRS's Rules and Regulations. As a result, this report does not contain an analysis of transfers from non-distributable income to distributable.
- [13] Gross Income relating to amounts received from other CMOs in the CMO report appendix, is defined as the amount received from a CMO net of the local CMO administrative deductions.
- [14] Where Net Income distributable to other CMO's in the CMO report appendix includes amounts that have been allocated to other CMO's but are not yet distributed to other CMO's, this is due to objective reasons such as the need for further information or documentation to complete payment.
- [15] Amounts paid direct by PRS to members of other CMOs. There is no administration deduction applied by PRS for these payments.
- [16] The resources used to cover costs are the income from rights management. Section 21(4)(i)(iv) of the Regulations requires disclosure of these resources. This has been interpreted as disclosing the deductions for administration, as presented on page 3.
