

Commercial Playlisting:

Bring your business to life

Playing music in your business speaks volumes, it...

- ✓ Engages Your Customers
- ✓ Boosts Your Brand
- ✓ Increases Dwell Time

66%

of UK adults say that the type of music a shop or business plays influences what they buy.*

63%

of customers who visit businesses that don't play music say that the primary put-off is the lack of atmosphere.*

Commercial Playlisting Licence

If you create and download playlists for your business, you need the Commercial Playlisting Licence.

Flexible and easy

Simple to use, affordable and no need for complicated processes – just your playlists designed by you for you.

Perfect for any business

From independent cafes to bustling retail shops, our licence adapts to your needs.

Do you still need a Public Performance licence from PPL PRS?

The Commercial Playlisting Licence covers the MCPS reproduction right (which covers the copying or 'dubbing' of music) only.

You will still need a PPL PRS public performance licence (TheMusicLicence) to play music in your business.

1 How do I apply for this licence?

Select the plan based on how many songs you'll download or copy.

Songs copied per annum	Price £ (excl VAT)
1 to 1,000	£42.56
1001 to 5,000	£106.39
5,001 to 10,000	£127.66
10,001 to 15,000	£148.94
15,001 to 20,000	£170.21

2 Apply now and unlock the benefits of music for your business.

About MCPS and PRS

MCPS collects and distributes mechanical royalties for music publisher, songwriter and composer members, alongside our network of global affiliate societies, when their music is reproduced in any format.

This licence is being sold by PRS on behalf of MCPS.
