# Games, Apps, CDs and DVDs

These rates cover audio, audio visual or interactive productions for sale or rental to the general public, including:

- Films or games
- Online/mobile apps
- DVD, CD and vinyl products
- Covermount products

Our 'Non-gaming Mobile App' rates license music which is installed within an app. This rate does not cover productions which are created and uploaded onto 3rd party services such as Youtube or Facebook for example. Please refer to our online content guide on [page 3](#) to see which rates apply to this type of content.

### Notes:

- Retail Game e.g. PlayStation, Xbox or PC games. Rates also cover Virtual Reality experiences and games sold through digital distribution.
- Looped and interactive use of music allow unlimited looping of a single cue in a production and is charged at double the Per 30s. This option is available across all usages where no Per Track rates are offered. Just select the looped option on the [Licence Manager](#) system.
- Per Game rates allow uncapped music usage for one flat rate.
